

# VITA/TCE VOLUNTEERS NEEDED

## The Volunteer Income Tax Assistance/Tax Counseling for the Elderly Program (VITA/TCE)

seeks volunteers to support free tax preparation, to help individuals and families in our community maximize the refunds they are eligible for.

By volunteering, you'll contribute to the financial well-being of your community. Each year, valuable VITA/TCE volunteers make a significant impact by ensuring that funds are returned to our fellow community members. Last year, our dedicated volunteers returned millions of dollars in tax credits and refunds to low and moderate-income Coloradans.

Join us today and help make a difference in our community!
